ABOUT ଏଚିଭର୍ସ

ACHIEVERS' CLASSES is a pioneer coaching center in Baripada. Our academy was set up with the aim to provide coaching to aspiring students who are dedicated and want to achieve excellence in their careers. We are conducting classes for VI, VII, VIII, IX, X, XI, and XII CBSE students. Our coaching center is appreciated by students for employing unique and practical based teaching techniques for making the process of learning simpler and easier.

We are Providing Special SUMMER COURSE Programme For All Classes. The Session Starts from 1st week of May to 3rd Week of June. Along with the Board Syllabus. The aim of the institution is to build the career of the student by utilising the whole year of the school. A humble request to the parents of the children to co-operate us on this strong mission to build the career of their children.

We have appointed a team of highly qualified and skilled teachers who are serving this domain for years. The success rate of our students has risen due to modern teaching methodologies and the untiring hard work of our teachers. At our center, we have all the requisite facilities that are needed to render a high standard of education. In addition to this, the comprehensive study material is provided to each and every student that is thoroughly prepared by our qualified teachers keeping in mind the current exam patterns. Also, to test the progress of the students, weekly tests are conducted by us. The classes can be attended by interested students by paying very nominal fees.

OUR MISSION

Achievers' Classes is committed to total quality coaching with consistency in delivering the best possible education to our students. We uphold the highest ethical standards & believe in creating new benchmarks in the coaching field. Honesty in teaching is our policy.

OUR VISION

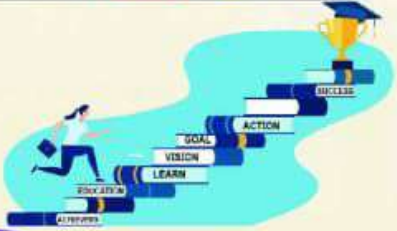

To become nationally acceptable institute of technical education, which shall always pursuit of excellence and inculcation of human values.To identify hidden talents, provide opportunities for students to realize their full potential, which will shape them into future leaders, entrepreneurs and above all good human beings.
